## **IMPORTANT PROVIDER NAME CHANGE NOTICE**

Dear Charter Telephone® Residential Customer:

As part of an internal reorganization of its corporate structure, on or after January 1, 2010, Charter Fiberlink, LLC ("Charter Fiberlink"), which provides telephone service to you under the name Charter Telephone, will transfer its customers in your area and certain of its assets to an affiliated company, Charter Fiberlink CCO, LLC ("Charter Fiberlink CCO"), which will also use the name Charter Telephone. **This change will not affect your telephone service in any way.**

### **The transfer will not affect your rates and service.**

Following the transfer, you will continue to have the same telephone number and receive the same services at the same rates, terms and conditions as you do now. Indeed, because Charter Fiberlink CCO will continue to use the same facilities and personnel to provide service to you that Charter Fiberlink currently uses, you will see no change in your Charter Telephone service. You will not be charged any fees for the transfer to Charter Fiberlink CCO, and Charter Fiberlink CCO will be responsible for any carrier change fees that might apply as a result of such transfer to Charter Fiberlink CCO. Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law.

### **What are the next steps?**

If you have placed a preferred carrier "freeze" on your Charter Telephone services to prevent their unauthorized transfer to another service provider, FCC rules require that the freeze be lifted at the time of the transfer to Charter Fiberlink CCO. At your request, Charter Telephone can reestablish preferred carrier "freeze" protection for your account after the transfer, just give us a call at 1-888-GET-CHARTER (1-888-438-2427). If you do not have a "freeze" on your account, no action is required!

Of course, you are free now or at any time to select a new service provider, but we are confident that you will be completely satisfied with Charter Fiberlink CCO.

We anticipate the date for the transfer may be as soon as thirty (30) days from the date of this letter or as soon thereafter as the necessary regulatory approvals are obtained. At that time, the name of your service provider will become Charter Fiberlink CCO, LLC, but it will still be known as Charter Telephone. If you have not notified Charter Telephone that you have arranged with another service provider for service to commence on or before the date of the transfer, you automatically will become a Charter Fiberlink CCO customer for the telephone services you currently purchase from Charter Fiberlink.

### **If you have any questions.**

If you would like to obtain a copy of Charter Telephone's subscriber agreement and tariffs or need additional information about the rates, terms and conditions of service, please visit <http://www.charter.com/telephone> or call 1-877-976-1509. For all questions regarding billing, repairs, service needs or complaints before, during and after the transfer, please contact Charter at 1-888-GET-CHARTER (1-888-438-2427).

Thank you,

Charter Fiberlink, LLC and Charter Fiberlink CCO, LLC
